Handwashing: There are 2 handwashing stations with free flowing water, antibacterial soap and individual towels for drying.

Weather: Forest school happens in virtually any weather and we are fortunate to have an outside classroom if we need shelter! High winds are the only real reason for cancellation and if this is the case I will aim to give you as much notice as possible. Please make sure your child has a sun hat sunscreen applied and bring more if you wish for them to reapply. We are fortunate in that there is lots of shade of forest school.

Activities: There will be a wide range of activities on offer to the children to hopefully cater for all their needs. However, if there is anything specific your child would like to do, please let me know and I will try and accommodate. I truly hope they have a fantastic time and come home tired and happy with lots of fun stories to tell you.
